

Club Eoghan Rua

How does it work?

You agree to subscribe £15 per month via Direct Debit. Alternatively, you can make a once yearly payment to the scheme.

Where does the money go?

Every penny is used to offset borrowings relating to the Club's development programme and to support the day-to-day running of the Club.

What do I get for donating?

The reason for donating is that you support what we do in Eoghan Rua. You support a strong GAA presence in the Area/Parish, one that enriches all our lives. You support the work we do for the youth of the Area/Parish. You support our continued efforts to provide excellent provision and facilities for all.

As a token of appreciation you will be issued with a Club Eoghan Rua membership card, receive free entry to home games for yourself and entry into a monthly draw for £100 (£200 in December).

What do we do here?

Club Eoghan Rua allows members, supporters, players, families and friends to support the Club in a practical way. It contributes to the promotion of Gaelic games through the provision of suitable facilities and personnel. It helps build a network of support, adding to the family and community atmosphere that permeates the Club.

We field teams from Under 8s to Adult level in football, hurling and camogie. We work with schools in the Area/Parish to promote our games for our youth. We also facilitate dancing, music and language classes.

Our prime achievement is the great number of individuals of all ages who are catered for in a typical week throughout the year.

I already subscribe to the Lotto. Is that not enough?

Club Eoghan Rua is not a replacement for the Lotto. It is in addition to the Lotto along with our other revenue schemes. However, with the cost of running the club increasing year-on-year we need consistent and secure income. Club Eoghan Rua is a vital aspect of this.

Is now not a bad time to be asking for more?

There is never an ideal time to raise funds. Club Eoghan Rua forms such an important part of the Club's finances that its promotion is on-going and continuous.

£15 per month is the equivalent of five cups of coffee or five pints of Guinness (about one cup or one pint per week).

We appreciate the support the Club enjoys, particularly given the current economic climate, and we thank you for that.

If you would like to find out more or if you would like to join Club Eoghan Rua you can speak to one of our members and/or visit our Web Site.

Do you believe in the work we do in Eoghan Rua? Do you believe that the Club enhances the lives of individuals, families and the wider community? Do you believe that it makes this a better place to live?

If your answer to the above questions is yes, then you can play your part in securing these into the future by joining Club Eoghan Rua. Please do it now. Thank you.
